

The Clare Project Group Agreement

This event is for people who identify as **trans, non-binary and/or intersex**, or who are **questioning** whether they might be. Everyone attending must be **over the age of 18**.

This event is **not a mental health crisis service**. If you feel you are at immediate risk of harming yourself or others, please make use of the support options on our website (available via this QR code). Ask a facilitator if you need help doing this.

Please **check for consent** before doing anything that might make another person or those around them uncomfortable. This includes, for example, talking about difficult topics and making physical contact.

Respect others' privacy. Ask before taking photos, sharing names or contact information of people you meet here.

To keep our spaces as safe as possible, if you don't follow this agreement, a facilitator will have a conversation with you, and this will be logged. Repeated or serious breaches may result in exclusion from our events.
